OneDrive for Business storage is approved for institutional data classified as unrestricted only. **Sensitive and confidential information should NEVER be stored in OneDrive, nor sent via email.** It is recommended that you use the network shares if you have information that is sensitive or confidential.

**OneDrive for Business will become operational during the day on Tuesday, September 13.**

To access your personal OneDrive for Business:

1. Using a web browser, go to <http://portal.office.edu> and sign in with your TigerNetID (full email address) and passphrase, as you normally do.
2. Click OneDrive from the icons that appear.

Items available include office furniture such as desks, file cabinets, chairs, etc. If you have any questions, please contact Wayne Gerstner, 785-628-4230.

**Directions to the Storage Building:** The simplest way to get there is by accessing it from Hwy 183 Alternate which extends from Gross Coliseum to the Highway Patrol offices near the fairgrounds.
